Subject: Apps for One Tablet Per Child

The Directorate for Digital Literacy and Transversal Skills is encouraging students and educators in Years 4, 5 and 6 to make use of a number of apps that are available as part of One Tablet Per Child initiative. Therefore, kindly note that the attached flyer will be issued to provide information about Author Premium, J2Code, Literacy Pro and BrainPOP. The schools will receive the printed flyers to kindly distribute to educators and their respective students to be passed on to their parents/guardians

The regular use of the tablet is recommended since this is a valuable tool for increased engagement in teaching and learning.

Thank you for your cooperation.
