---

The eTwinning National Support Service (NSS) is pleased to announce that educators will be invited to participate in a face-to-face seminar on **Coding and Computational Thinking** for Secondary School teachers. This will be held in Oslo, Norway from the 21<sup>st</sup> -23<sup>rd</sup> March 2019.

#### Target Group

Teachers teaching Art & Craft, Science and Mathematics.

#### Application Form

The Maltese NSS will be sponsoring two participants to attend the seminar in Norway. Lodging, seminar fees and flights will be covered and booked by the eTwinning National Support Service. Educators currently teaching in Secondary schools, are invited to apply for the seminar by filling in and sending the attached application form.

#### Report/Dissemination

Participants will be expected to submit a report with details of the seminar within 5 days of their return. Dissemination of experiences are to be shared with school staff. This must be documented and sent to [etwinning@ilearn.edu.mt](mailto:etwinning@ilearn.edu.mt). Write ups may be considered for inclusion in the eTwinning Newsletter, Facebook Page or Website.

#### Eligibility Criteria

Interested Educators must **register to eTwinning prior to the seminar**, as well as **register an eTwinning Project with a European Partner** whilst in Oslo, Norway.

Applications, **endorsed by the Head of School and College Principal** must be sent by email to the eTwinning National Support Service at [etwinning@ilearn.edu.mt](mailto:etwinning@ilearn.edu.mt) **-by not later than Friday 15<sup>th</sup> February 2019.**

Due to the limited spaces available applications will be accepted on a first come first served basis.

Educators who have participated in eTwinning Seminars or Professional Development Workshops abroad sponsored by eTwinning **in the last 5 scholastic years will not be considered.**
