Information: X **Date:** 11th June 2019
Action Required: X **Ref:** DDLTS 23/2019
To: All Heads of Schools (State and Non-State) and Sections
From: Mr. Keith Aquilina – Education Officer Digital Literacy
Subject: The Future Classroom concept – an introduction

The Directorate for Digital Literacy and Transversal Skills (DDLTS) is inviting you for a half-day seminar about the Future Classroom Concept.

Date: Thursday, 27th June, 2019
Time: 8:30 – 12.00 hrs
Venue: Digital Literacy Centre, Hamrun

The Future Classroom is a space for active learning. It integrates the optimal use of the learning space, technology and pedagogy to build 21st century skills for the learners. During this half day seminar we shall be giving a short introduction of this concept. We will also explore the different learning zones within this concept - Interact, Exchange, Investigate, Create, Present, Develop - learning zones that facilitate the innovative use of technology in the classroom.

The aim of the seminar is to inspire school educators to rethink their current classroom practice, and demonstrate how even small changes to existing learning spaces can significantly improve students' active learning.
