To: All Heads of Primary Schools (State and Non-State) and Sections
From: Mr. Keith Aquilina – Education Officer Digital Literacy
Subject: Summer Lesson Profile for year 4 and year 5 students

Heads of schools are informed that the OTPC tablet currently available for all year 4 and year 5 students is an opportunity through which we encourage student leisure, engagement and learning, thus assimilating and retaining skills through which they can be better prepared for the upcoming school year.

In the coming days, a **Digital Literacy 4 Summer 2019** lesson profile will be pushed on all year 4 and year 5 OTPC student tablets. This profile will give all year 4 and year 5 students access to a variety of digital tools and resources which may be used during their summer holidays. This lesson profile which will be available in each school organisation in Class Connect, may also be copied and modified by the respective teacher before the summer holidays.

May we take the opportunity to thank all educators for their hard work and dedication while wishing all a restful summer break.

Mr. Grazio Grixti
Director
Directorate for Digital Literacy and Transversal Skills
