LETTER CIRCULAR

Information: X

Date: 18th March 2019

Action Required: X

Ref: DDLTS 11/2019

To: All Heads of Schools (State and Non-State) and Sections

From: Director, Digital Literacy and Transversal Skills

Subject: Take a SELFIE

SELFIE stands for: **S**elf-reflection on **E**ffective **L**earning by **F**ostering the use of Innovative **E**ducational technologies. In October, 2017 no less than 59 schools had actively participated in a Pilot Project after having shown interest to participate in response to circular DDLTS 2/2017. Participants had the advantage of receiving individual feedback in line with the user group selected at the registration phase, namely under: school leaders, teachers, and students. The feedback report thus provided a snapshot of where the school was in relation to its use of digital technology for learning. Moreover, participating schools qualified to receive the SELFIE open badge in recognition of their participation.

In effort to help schools continue improving on the outcome of using digital technology for learning the DDLTS is again inviting schools to take a SELFIE during the 3rd term of this scholastic year. Interested schools willing to participate in this survey are therefore requested to submit their details by filling the form below and send it to luisa.zammit@ilearn.edu.mt by not later than **Friday, 22nd March, 2019**. More information about SELFIE can be found from: https://ec.europa.eu/education/schools-go-digital_en and https://ec.europa.eu/education/schools-go-digital_mt. All schools indicating interest to participate will be communicated with further information at a later date.
