

LETTER CIRCULAR

Date: 12th November 2019

Ref: DDLTS 39/2019

To: All Heads of State Primary Schools and Sections

From: Mr. Keith Aquilina – Education Officer Digital Literacy

Subject: Primary Educator Digital Literacy Programmes 2019-2020

The digital literacy primary support team within the Directorate for Digital Literacy & Transversal Skills is once again supporting state primary schools through programmes focusing on enhancing the use of technology for the benefit of learning.

These programmes are intended for primary school teachers with all levels of technological experience. Teachers will be supported for a specific amount of time on how to integrate the use of technology across the curriculum. Through curriculum time and co-teaching sessions, the Digital Literacy Support Team will provide guidance and pedagogical support to all the participating educators on how to design, plan and implement the use of available digital technologies in the different stages of the learning process. After each activity, educators are encouraged to share and exchange knowledge, resources and experiences with the other participants. A certificate of completion will be awarded to successful educators for their participation and engagement in one of the available programmes:

- Using Technology to Enable Learning (Year: 1, 2 & 3)
- Using Tablets To Promote Collaboration (Year: 4, 5 & 6)
- Using Tablets To Promote Creativity (Year: 4, 5 & 6)
- Tinkering & Making with Robotics (Year: 4, 5 & 6)

Further details: <http://bit.ly/DLprimary>

Interested schools and/or educators are to contact the respective Digital Literacy HoD or Support Teacher.

Mr. Grazio Grixti
Director
Directorate for Digital Literacy and Transversal Skills
