**Title of Webinar:** Applying for the eTwinning School Label 2020-21  
**Date:** Thursday 16<sup>th</sup> January 2020  
**Time:** 16.00 – 17.00

### Description

*How to apply for the eTwinning School Label.*

During the webinar the presenters will be exploring the criteria and questions found in the application. They will provide tips and advice on how to go about filling the application – what to submit, where to find evidence requested for etc. Time will be allocated for any specific questions you may have. Any other queries may also be sent to email [etwinning@ilearn.edu.mt](mailto:etwinning@ilearn.edu.mt) prior to the webinar.

Please note that the application is to be filled by only one educator from the staff of the school but it is highly recommended that the teachers together with SLT discuss it beforehand.

The webinar will be held online, therefore teachers will be able to follow the session from the comfort of their own homes. Educators may use a computer, laptop or tablet to connect to the meeting, which will be held on the eTwinning platform. **Participation is strictly by registration and interested educators are kindly asked to send an email to the eTwinning National Support Service on [etwinning@ilearn.edu.mt](mailto:etwinning@ilearn.edu.mt) and request to join the meeting by not later than Tuesday 14th January 2020.** The eTwinning National Support Service will then contact all the teachers interested and send them a participation link.

Thank you.
