To: All Heads of Primary Schools (State and Non-State) and Sections

From: Mr Keith Aquilina – Education Officer Digital Literacy

Subject: Summer Tablet Profile for year 4 and 5

Heads of schools are informed that the OTPC tablet currently available for all year 4 and year 5 students is an opportunity through which we encourage students' leisure engagement and learning. Thus retaining and assimilating skills through which they can be better prepared for the upcoming school year.

Year 4 and 5 teachers are elicited to provide, through the OTPC management system, access to digital material which is tailored to the interests of their children. The **summer resource lesson profile** is available for all year 4 and year 5 OTPC tablets. This profile will give all year 4 and year 5 students access to a variety of digital tools and resources which may be used during their summer holidays. This may be adapted by the respective teacher and pushed onto the students tablets via the Class Cloud management system. Schools can also share the attached QR code.
