Ref: DDLTS 42/2020

To: All Heads of Primary Schools (State and Non-State) and Sections

From: Mr Keith Aquilina – Education Officer Digital Literacy

Subject: Literacy Pro Reading Scheme for year 6

This scholastic year, state and non state year 6 classes have access to the **Literacy Pro** Reading Scheme. This is available through the toolbox section of the OTPC Learnpad tablets. Pupils can access the reading scheme by logging in their student account from their OTPC tablet.

Teachers are assigned administrator accounts to view reports that are available for individual students, classes, grades, and the entire school. Educators can also access Settings and Benchmarks tabs to look at different ways that the product can be customized for individual students. Apart being able to access it from the OTPC Learnpad tablet, teachers can access Literacy Pro via a web browser by accessing scholastic production URL for Malta :- <https://z3.scholasticlearningzone.mt/saml/login>. This makes it easier for the teacher to access the Literacy Pro platform including students' statistics and reports from any device.
