Due to the pandemic, last spring educators had to suddenly adapt to remote teaching and learning, whereas now the challenge is often to juggle between classroom-based education and at-home learning.

Future Classroom Lab Learning Community invites you to an **online learning event exploring possible answers and solutions** for educators to be empowered for the current challenges.

Participation in this event consists of **synchronous and asynchronous sessions** taking place from **26 to 29 October 2020**.
