

LETTER CIRCULAR

Date: 13th November 2020

Ref: DDLTS 45/2020

To: All Heads of Primary Schools (State and Non-State) and Sections

From: Mr Keith Aquilina/Ms Tania Gatt (Education Officers Digital Literacy)

Subject: Required change in SafeYouTube links in Learnpad Lesson Profiles

Heads of Primary Schools are kindly requested to inform educators in Year 4, 5 and 6 classes that any safeyoutube.net links included in the tablet Learnpad lesson profiles need to be edited to <https://video.link> instead of <https://safeyoutube.net> since SafeYouTube.net links will no longer be accessible.

Instructions how to edit the links can be found by accessing <https://bit.ly/36pGISn>

May we take the opportunity to remind you that free services like <https://video.link> allow educators to reduce advertisements and other unwanted distractions from Vimeo and YouTube videos, so they can be viewed safely.

Mr. Grazio Grixti
Director
Directorate for Digital Literacy and Transversal Skills
