Subject: Dance Activity – Coding Unplugged for KG, Year 1, 2 and 3

As part of the EU Code Week, the Directorate for Digital Literacy & Transversal skills, is encouraging Kindergarten, year 1, 2 and 3 educators to dedicate one hour to a fun coding/dancing activity with their students. Through the Dance Party unplugged activity, no devices are needed and students can learn coding concepts to choreograph a dance party together whilst keeping physically distant. More information is available at: <https://curriculum.code.org/hoc/unplugged/4/>

Participating classes can share a video or photo/s showing their activity by submitting their video or photo/s on <https://bit.ly/3jDH6Ml>. Submissions will be shared on the DDLTS FB page Digital Education in Malta (facebook.com/DigitalEducMalta). A number of tokens gently sponsored by the eSkills foundation will be presented to 15 participating classes. These will be chosen at random on the 16th December 2020.

It is important to register your activity in the EU Code Week website (<https://codeweek.eu/>) and to use the following code **cw20-SbiEf** for the Code 4 All challenge.
