

## LETTER CIRCULAR

**Date:** 21<sup>st</sup> April 2021

**Ref:** DDLTS 10/2021

**To:** All Heads of Primary Schools (State and Non-State) and Sections

**From:** Mr Keith Aquilina – Education Officer Digital Literacy

**Subject:** Online Course: 21st Century Learning through Technology for the Primary Classroom

---

The Directorate for Digital Literacy and Transversal Skills is organising a 15-hour online voluntary course for primary educators: '**21st Century Learning through Technology for the Primary Classroom**' with a focus on WEB2.0 Tools.

This **6-week course** starting on Wednesday **21<sup>st</sup> April 2021** will focus on the educational benefits and pedagogical opportunities of using digital tools creatively to engage students in the current 'distanced' classroom and at home during online learning. Through this course, participants will be introduced to different educational apps and tools beneficial for **active learning**.

**All primary school educators** from both State and Non-State schools are invited to apply. This course will run entirely online on MS Teams. An introductory **voluntary** online meeting will take place during the first week of the course.

There are no course fees and participants who complete at least 75% of the weekly tasks will receive a **certificate of participation** indicating the number of hours taken to complete the course. Participants attending this course are entitled to apply for the Self-Sought training since attendance is on a voluntary basis and after school hours.

Interested primary school educators can find further details and may apply by following the link: <https://forms.office.com/r/1ec8zXfwhi>
