

## LETTER CIRCULAR

**Date:** 30<sup>th</sup> June 2021

**Ref:** DDLTS 20/2021

**To:** All Heads of Schools (State and Non-State) and Sections

**From:** Mr Omar Seguna – Education Officer Digital Literacy

**Subject:** Education Transformation Framework online seminar

---

For the last Microsoft Internship session on June 30<sup>th</sup> we have secured a very important and prestigious speaker, **Ms Dina Ghobashy, Senior Manager Education Leadership at Microsoft.**

For this reason this session is going to be a public online seminar.

The topic is going to be on the Education Transformation Framework, and how schools can use this to achieve sustainable and effective digital transformation. This is of particular interest especially to school leaders and management team members, but all educators are invited.

**Date and Time:** June 30<sup>th</sup> 16:00 CET

### **About Ms Dina Ghobashy:**

Dina Ghobashy is an advocate for achieving a positive social impact through education and she sees technology as a catalyst for achieving this vision.

Dina possesses a broad background in technology and its effective application to transform teaching and learning, starting with her work at Intel where she advised education institutions and governments on the use of technology to improve student outcomes.

Prior to that, Dina was an adult education practitioner, where she implemented several blended learning and coaching programs and designed a competency model to drive mastery in teaching. As a business analyst and process improvement coach at Intel, Dina developed a strong expertise in requirements discovery, project management, change management, and software development. She holds a Master's in Computer Engineering and a Master's in Technology in Education from Columbia University.

**Mr. Grazio Grixti**

**Director**

**Directorate for Digital Literacy and Transversal Skills**
