

LETTER CIRCULAR

Date: 2nd July 2021

Ref: DDLTS 21/2021

To: All Heads of Primary Schools (State and Non-State) and Sections

From: Mr. Keith Aquilina – Education Officer Digital Literacy

Subject: Summer Tablet Lesson Profile

Heads of schools are informed that the OTPC tablet, which is currently available for all year 4 and year 5 students, is an opportunity through which we encourage student educational leisure and learning during the Summer months. Students who continue using the tablet during summer months will retain and assimilate skills which will help them be better prepared for the upcoming scholastic year.

Year 4 and 5 teachers, through the OTPC Class Connect management system, can provide access to digital material which is tailored to the interests of their students. In the coming days, a Learnpad **summer resource lesson profile ‘DLTS Digital Literacy 4 Summer 2021’** will be available for all year 4 and year 5 OTPC tablets in their school organisation in Class Connect. This lesson profile will give all year 4 and year 5 students access to a variety of digital tools and resources which they may access during their summer holidays. This lesson profile may be copied and adapted by the respective educator and pushed onto the students’ tablets via the Class Connect management system. Schools are invited to share the attached QR code of this Learnpad lesson profile with educators and students.

Mr. Grazio Grixti

Director

Directorate for Digital Literacy and Transversal Skills
