

LETTER CIRCULAR

Date: 4th October 2021

Ref: DDLTS 28/2021

To: All Heads of Schools (State and Non-State) and Sections

From: Director, Directorate for Digital Literacy and Transversal Skills

Subject: EU Code Week 2021 - 9 to 24 October 2021

The EU Code is a grassroots initiative which promotes computational thinking, coding and digital creativity in a fun and engaging way. This year EU Code Week will be held from **9 to 24 October 2021**. All educators are encouraged to organise or join an activity by choosing a topic, a target audience and [add the activity](#) to the [map](#), or browse for activities in Malta.

The EU Code Week initiative is very popular among Maltese educators. Educators can avail themselves of the [EU Code Week website](#) to access a number of [teaching resources](#). In the [learning bits](#) section, educators can find tailored lesson plans focusing on computational thinking and coding.

Webinar: Wednesday 13th October at 16:00

As part of the EU Code Week 2021 campaign, the Directorate for Digital Literacy and Transversal Skills is inviting all interested educators to attend a webinar which will be held on Wednesday 13th October at 16:00. During the webinar, educators will be acquainted with the EU Code Week values and will have the opportunity to discover different means how they can be actively involved in this initiative. Educators will also be introduced to the EU Code Week portal, the Code Week 4 All Challenge and will go through the process of registering an activity and understand how they can subsequently report the activities. Interested educators are invited to [access this form](#) to apply for the webinar.
