

LETTER CIRCULAR

Date: 7th October 2021

Ref: DDLTS 33/2021

To: All Heads of Schools (State and Non-State) and Sections

From: Mr Vincent M. Carabott – Education Officer Digital Literacy

Subject: Building a School Digital Strategy MOOC based on the SELFIE tool

The School Education Gateway is inviting educators to participate in a MOOC about **Building a School Digital Strategy based on the SELFIE Tool**.

The course is relevant for any educator or school leader who wants to develop a digital strategy for their school. However, due to the nature of the topic and the importance of getting input from a variety of school stakeholders, it is useful for participants to hold a transversal or leadership role in the school. The course offers an introduction to the topic.

In this course you will:

- identify how to use digital technologies in your school to maximise student learning;
- set out a clear vision for using digital technology in your school;
- identify the foundations of your digital strategy and develop an action plan to achieve it.

The course runs for 5.5 weeks. The deadline for the final assignment is Wednesday, 1 December. The estimated workload is 3-4 hours per week.

The MOOC will start on Monday, 25th October 2021 and ends on Wednesday, 1st December 2021.

Further details and information about this course may be accessed from:

<https://academy.schooleducationgateway.eu/web/school-digital-strategy-with-selfie>

You are invited to register for this course through:

<https://www.schooleducationgateway.eu/en/pub/login.cfm?courseUrl=school-digital-strategy-with-selfie>

You will receive a course badge and a course certificate if you complete the full course: this means you have to visit all sections and complete the final peer assessment activity before the deadline.

Thank you for your cooperation,

Mr. Grazio Grixti
Director
Directorate for Digital Literacy and Transversal Skills
