**Date:** 4<sup>th</sup> October 2022

**Ref:** DDLTS 23/2022

**To:** All Heads of Schools (State and Non-State) and Sections

**From:** Director, Directorate for Digital Literacy and Transversal Skills

**Subject:** EU Code Week Malta Educators' Programme 2022

The Directorate for Digital Literacy and Transversal Skills in collaboration with the EU Code Week Team, the Faculty of Education and eSkills Malta Foundation, is organising the EU Code Week Malta Educators' Programme 2022. This train the trainer programme aims to give new insights to educators and pre-service educators about different approaches to implement coding and computational thinking in the learning process. Educators and pre-service educators who would like to understand how Virtual Reality and computational thinking nurture digital competences and how Micro:bits can enhance the teaching and learning process are invited to apply for this programme. Educators who will participate in EU Code Week Malta Educators' Programme 2022 will also be encouraged to become multipliers of the EU Code Week campaign in their schools.
