Date: 25th October 2022

Ref: DDLTS 27/2022

To: All Heads of Primary Schools (State and Non-State) and Sections

From: Director, Directorate for Digital Literacy and Transversal Skills

Subject: Year 4 Parents' Information sessions

The Directorate for Digital Literacy and Transversal Skills is organising free information sessions for year 4 parents/guardians about OTPC Tablets in November 2022. These 1hr sessions will be held using Microsoft Teams.

We acknowledge the crucial role parents and guardians are playing in the education of their children. The sessions being offered will help participants better understand how OTPC tablets may benefit their child's formal and informal learning whilst assuring their well-being.

Schools are requested to inform all parents/guardians whose children are in Year 4, about these sessions and encourage them to apply online from the following link:
