

LETTER CIRCULAR

Date: 21st November 2022

Ref: DDLTS 29/2022

To: All Heads of Schools (State and Non-State) and Sections

From: Mr Omar Seguna – Education Officer Digital Literacy

Subject: First International IEEE Region 8 Robot Championship

Heads of Schools are kindly informed that on the 3rd and 4th of December 2022 IEEE Malta Association will organize the **First International IEEE Region 8 Robot Championship**. IEEE Malta Association is a voluntary organisation that contributes to the advancement of humanity through technology.

One of the commitments is to have interactive sessions and to ensure that the event is an educational one. To achieve this, a number of partners, including the Directorate for Digital Literacy and Transversal Skills within the Ministry for Education, Sports, Youth, Research and Innovation were invited to set up STEM activities and give them a taster of our efforts.

Children can attend together with their families on the 3rd and 4th of December at Montekristo Arena Malta. Although some of the activities of the IEEE R8 Robot Championship, such as the STEM events are going to be free of charge, an entry ticket is required to access the arena.

To access arena for the opening show and have access to the games, where the robots will compete, buy your tickets here: <https://biljett.mt/events/internationalrobotchampionship/>

Through play and games, children and their families can learn about science, technology, engineering and mathematics. In order to have more information about the championship one can access the webapp <https://app.robotchampionship.org/>. One can also check the promo video. <https://www.youtube.com/watch?v=MPYTRuEIxK8>

Mr. Grazio Grixti
Director
Directorate for Digital Literacy and Transversal Skills
