

LETTER CIRCULAR

Date: 20th February 2023

Ref: DDLTS 7/2023

To: All Heads of Middle and Secondary Schools (State and Non-State) and Sections

From: Dr. Omar Seguna – Education Officer Digital Literacy

Subject: Implications of artificial intelligence in the educational context

Artificial Intelligence has infiltrated every aspect of our life, including education. For this reason, the Directorate for Digital Literacy and Transversal Skills will be organising an online session to enable educators to familiarise themselves with this new reality. The session will cover the following relevant topics:

- The current state of AI in education and its potential to improve teaching and learning.
- Examples of AI-powered educational tools that enable personalised learning and automatic assessments.
- Benefits and drawbacks of AI-assisted education for students and teachers.
- Ethical and safety considerations of AI that may affect our students.
- The role of AI in shaping the future of education.

The session will be delivered by Dr Omar Seguna and Mr Andre Bugeja on **Thursday 23rd March from 11:00am to 12:00pm** and can be accessed from this [link](#).
