

## Q-cards

### Instructions to use:

- Each card has a Participant number printed, to make it easier for you to identify participants for evaluation.
- To answer using Q-cards, students have to **rotate the card** to choose between options.

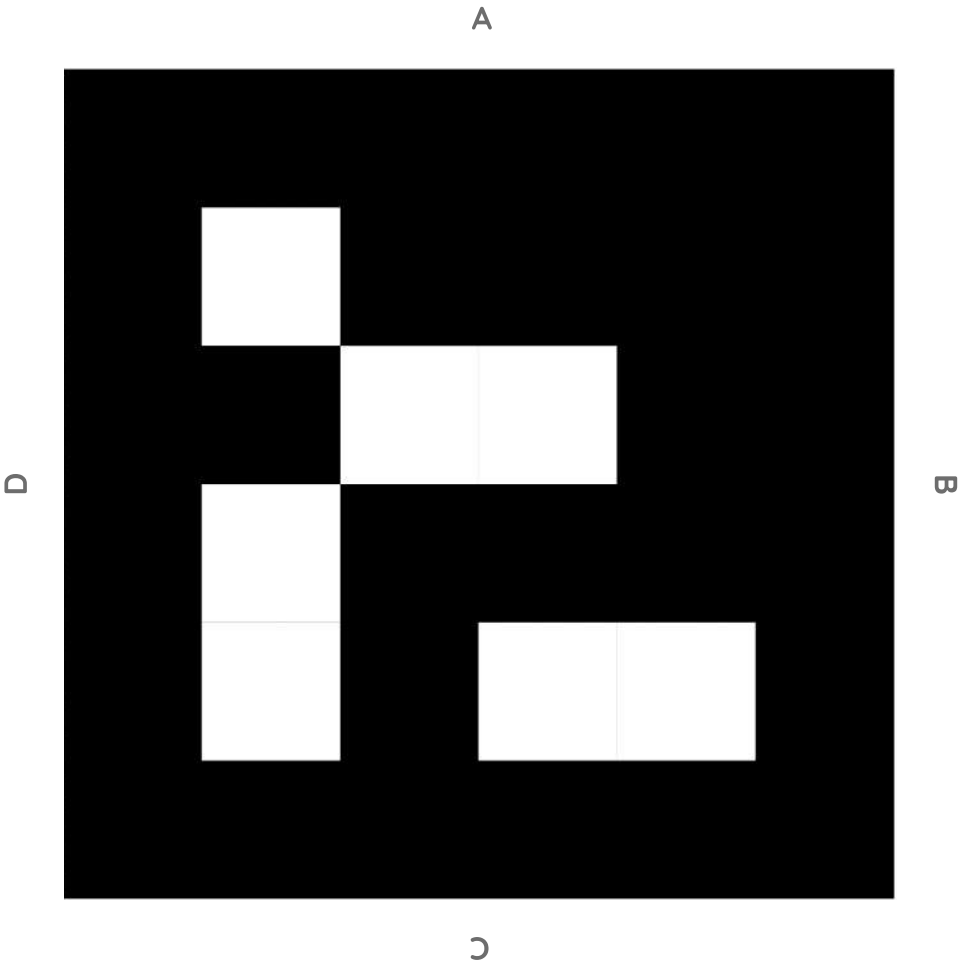

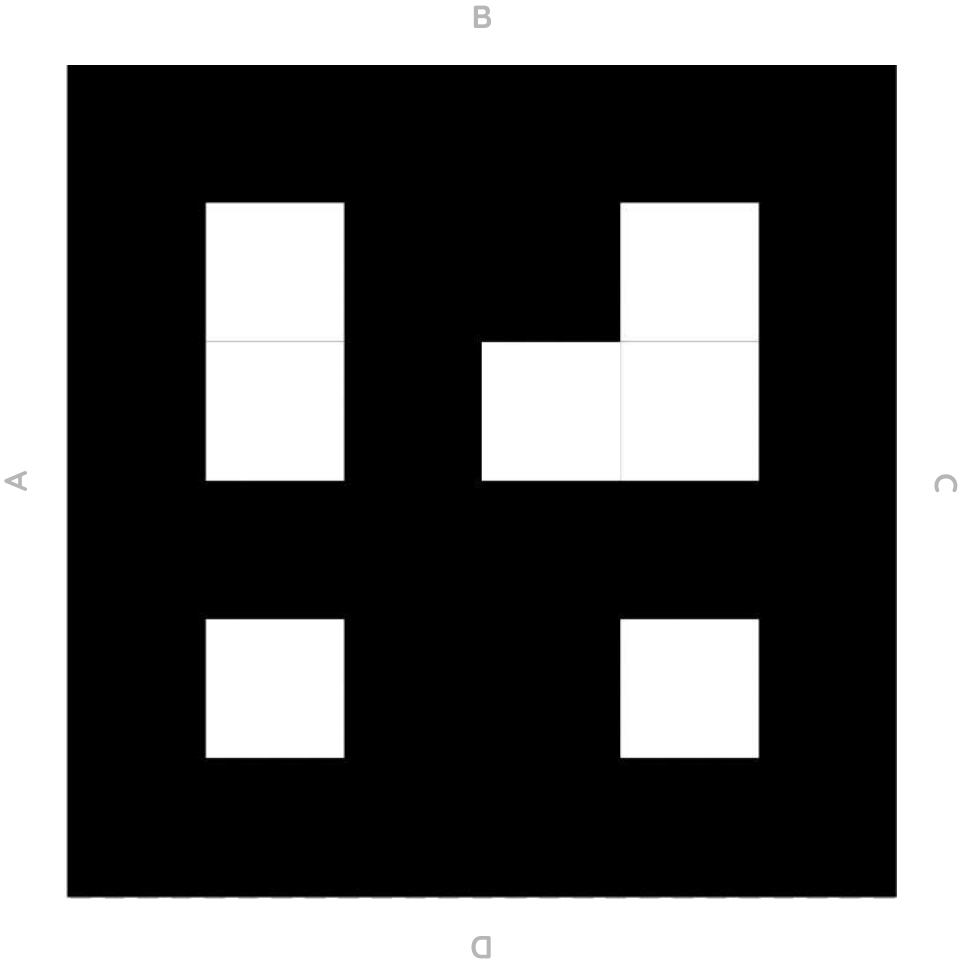

- To scan and collect responses correctly, make sure the students **hold the card upright** and **without blocking or tilting**.

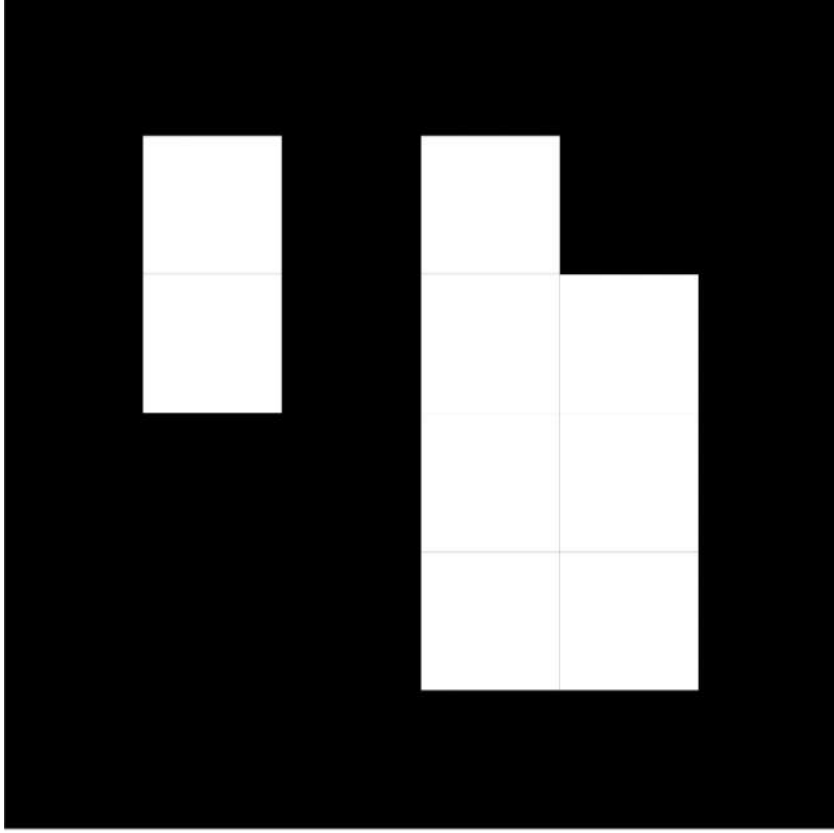

### Tip:

- Re-use the same Q-cards for your next quiz. No need to print again :)
- Laminated Q-cards last longer.
