

## LETTER CIRCULAR

**Date:** 14<sup>th</sup> June 2023 **Ref:** DDLTS 17/2023

**To:** All Heads of Primary Schools (State and Non-State) and Sections

**From:** Directorate for Digital Literacy and Transversal Skills (DDLTS)

**Subject:** Final Call to Apply – Cloud-based Ecosystem Online Family Sessions Year 4-6

---

The Directorate for Digital Literacy and Transversal Skills (DDLTS) is pleased to announce the launch of a Cloud-based Ecosystem for the Development of 21st Century Skills. This initiative is specifically designed for students in Years 1 to 6 across both State and Non-State schools as part of the ESF.03.059 – One Tablet Per Child Project, starting from the beginning of the Scholastic Year 2022/2023.

Our comprehensive online educational system provides a suite of applications that enable primary school students to develop essential 21st century skills while interacting and collaborating within a child-friendly learning environment. With this system, students can create digital content across all curricular areas. This initiative aligns with the recommendation of the Digital Education Action Plan (2021-2027) to invest in basic digital skills and competences from an early age, with a particular focus on digital literacy.

In addition, DDLTS is excited to offer online Family Sessions, which can be accessed through the following links. Kindly send the following Teams invitations via email or My Schools to all respective YR 4-6 parents.

**16<sup>th</sup> June 2023 - Theme My Favourite TV Show Yr 4-6 Students from 16:00 hours to 19:00 hours.**
